Miss M. G. Hammelby,
#216 W. 123rd St.

New York.

Made in Germany.

Dear Mary, I was
so happy to receive your
letter. I do think
of you very often, and
I wrote you a few
lines earlier. I have made
no plans as yet for the summer,
but would love to go west. And
I will let you
know. I glad
you took a little trip. I hope
all of you are doing well,
family. I do.

THE CATHEDRAL OF ST. JOHN THE BAPTIST
Renaissance church, designed by St.
Finbar's Cathedral, was burned down in the great
fire of 1904. The new structure, dedicated in 1906,
is on the same site and scattered the Cathedral
of St. John the Baptist.
